

PATERSON. N. J., May 24.—Special.—
It was Paterson's day to-day and although Captain Weils' men played a fine, snappy game they were defeated rather easily. Viau was very effective when men were on bases, and although the visitors several times had men on bases, they could not secure the needed hit.

Schmidt also bitched a good garae, being hit hard only in the first inning. Eliberfeld and McDonald played an olegant game and several times pulled down halls that looked like hits.

To Elsey and Hargrove, however, being the fielding honors, several of their running catches being marveilous and saving runs. The former in the fifth inning with two men on bases and two out, chased after Wagner's hard drive and snatched it just as it was about to strike the centre-field fence. In Line cases out of ten it would have been a home run. The little left fielder had sized "Hannas" up right and played well out for him. for him. THREE IN THE FIRST.

THREE IN THE FIRST.

The Paterson's gave the rooters something to shout over in the first inning by starting off with three runs. Keister opened the proceedings by landing the ball safely in centre for one base. He was followed by Heidrick, who did the same. Haller had good judgment and walked, which filled the bases. Wagner whose hits are always timely sent a hard one bounding .o right field and Keister and Heidrick ambled home. Harlesty also hit cafely and Haller brought the third run across the plate. Smith sent a high foul back of first which Wells swallowed. Gallagher gave the chaplain another chance, but his grounder was easy for Wells. Westlake picked out the other corner but the Brownie was there and made a beautiful stop and throw to first. Three runs.

For the Cherubs, Elsey singled but was forced at second by Elberfeld. The Brownie attempted to purioin second but was out by five feet. Stuart was out at first via Wagner.

No further scoring was done till the fourth, brilliant fielding abounding. Westleke was the first man up for Paterson in this evening and sent a short fly to centre, which Harg ove n ade an excellent attempt to reach. Viau struck out and Keister added a put to Hargtove's score. Heidrick's hot liner along the first base line scored Weatlake while he stole scond a moment later, where he was left when Haller struck out.

RICHMOND'S FIRST.

The sixth added another run to Paterson's score. Viau's single and Keister's two bagger doing the trick. In this inning the visitors scored their first run. Foster was out. Viau to Haller. Schmidt popped one up for Westlake. This koked all right for the locals. Viau, however, lost control and was forced to put them over straight.

He hit Elsey on the arm and then Elberfeld and Stuart smashed out a couple of beautiful singles that brought Elsey across the plate. Hargrove stopped the run getting by poking an easy one to Viau. Paterson was again blanked in the seventh, while the stock of the boys in gray took a rice.

McDonald popped a foul for Westlake and sat down, let Viau practice a bit, and walked. He was forced at second by Kain's hard drive to Keister. Foster then sent the ball sailing to the fence scoring Kain. "Red" had passed second and was galloping for third, where he found Keister waiting for him with the ball.

RICHMOND'S LAST.

RICHMOND'S LAST. RICHMOND'S LAST.

This was Richmond's last run while Paterson added one in the eighth, Keister being hit by a pitched ball and scoring on Heidrick's two bagger. Haller completed a double play unassisted by stopping Wells' hard line drive between first and second and beating McDonald back to the bag in a close race. The game was a fine one, there being no kicking of any sort.

was a fine one, there being no kicking of any sort.

The Richmond players have shown themselves a tentlemaniy lot and also good ball players. The infield is probably the strongest of any of the teams, which have played in this city while the cut field is second to none. Both Hargrove and Elsey have done some fine work and certainly out batted the local outfielders. Kain has had little to do in the two games played but accepted every chance without an error.

To-morrow Jones will go in the box for the home team and a large crowd will go down to see him put them over, Alex. has won every game played so far and appears to outclass most of the Affantic League pitchers.

Foster was a little slow in throwing to large and the locals took advantage of the same the stolen bases will show.

To-day he had good control of the ball, and he was finely supported. Paul Radford's face was sore from the ball Chesbro hit him with, and Reddy Mack was on second. wild throw after he had fumbled a grounder.

The Norfolks also put up a great game, and did not have an error until the ninth, when Leahy and Wentz made costly fumbles. Newton piched a good game, and the Hartfords did not get two hits in succession. Earle gave better satisfaction than usual. When the Norfolks criticized his decisions on balls, he threatened to fine all of them. Norfolk ceme near scoring in the first inning.

Leahy made a double after one was out, and went to third on Shaffer's fly to Cavelle. He was put out for running before the fly was caught. In the fifth Hurns' two-bagger sent in two runs, and Cavelle's triple in the ninth also sent in two. Pettit, the old Chicago player, caught some hard files in left field.

There were few remarkable plays made, and stolen bases were very scarce, Burns being from second to third. Snyder was hurt several times. The score:

The Champions Went Down in the Eighth Inning.

went down before the Athletics to-day by a score of 7 to 5. Young Cogan pitched his first game for Newark since leaving the Baltimores, and up to the eighth inning did very well, but in this inning went up into the air, and the Athletics pulled out a victory.

With one out, Fox and Jordan hit safely, and Moran was hit, filling the bases. At this stage Cogan was taken out and Carrick replaced him. McVey filed to Wright, and Fox scored.

Carcy was hit, and Harley followed with a single, sending Jordan and Moran. Battam was also hit, and the side was retired with the bases tull. Newark could not touch Jordan after the fifth. Daly made a sensational stop of a hard hit by Carcy in the fourth.

He got the ball behind the third-base bag, and with the same motion throw to first, heading off the runner. Moran, McVer, and Sheehan made some difficult catches. Score:

SUNDAY GAMES.

Two Games Played in the Atlantic League and Bichmond Took One.

PATERSON, N. J., May 23.—Special.—By a great batting rally in the ninth inning the Cherubs defeated Paterson today in what only a few minutes before looked like a certain victory for the home

team.
The locals had bad all the best of it

They saw the Cherubs scooting around the bases like madmen and the luns pling up. Before the fire works were over the visitors had scored enough runs to win, and that before a man on their side had been retired.

PATELSON'S HARD LUCK.

It was a hard game to lose, and it all

side had been retired.

PATERSON'S HARD LUCK.

It was a hard game to lose, and it all happened to quick that it was all over before half of the spectators had realized what had happened. And only one man was to blame for it, that being Robinson, the Patersons' right fielder. In the fatal inning he misjuaged a fly that he shoult have gotten under, and what was still more costly, let a single, which was rolling towards him, pass and get to the bleacheries, and a man on bases scoring.

Besides this, Flaherty was hit for keeps, seven hits being made off him. The result was five runs.

Besides this, blaherty was nit for keeps, seven hits being made off him. The result was five runs.

The game opened in lively fashion, both teams playing snappy ball. For Paterson Keister filed out to Hargrove: Heidrick was given a base on balls, and stole second: Haller struck out, and Wagner hit a hard one to left field, which Elsey dropped, and Heidrick crossed the plate. Hannes going to second: Robinson filed out to Hargrove. One run.

The 'visitors went one better in their balf and took the lead. Elsey was out at first with Smith's help; Elberfield, the "Brownie," knocked up a sky-scraper which Pobinson coralled; Chauncey Stuart, the ex-Newarker, hit for one bag; Hargrove followed with a two-bugger, on which Chauncey scored; McDonald's two-bugger brought in Hargrove, with the second run. Mae was left when Wells falled to reach first.

In the second Paterson scored one run and tied the score, Smith singled, went to second on a wild pitch, and scored when Stewart let Sminks' hot grounder go by him.

The fourth saw the visitors in the lead

The Ball Was Kept Going at a Lively Rate.

LANCASTER, PA., May 24.—Special.—The style of ball served to Reading by Pitcher Yeager this afternon suited them exactly, and they utilized to the extent of fourteen hits. He was easy for every man on the team, with the exception of Barclay and Herndon, of Reading's battery, neither of whom was able to connect safely. They were not required to, for Herndon had Lancaster's hitters guessing during the whole game, and up to the eighth inning only three safe ones had been placed to their credit.

Reading played a sharp, pretty game in the field, which was more brilliant by contrast with the slow, rugged work of the locals. Five errors in the diamond and one in the outfield aided Reading very materially in scoring.

The feature of the game was the beautiful catch of a liner from Hill's bat by Yeager, Quick as a flash, the ball was sent to Ward in time to double up on McIntyre, and Spratt, who was on first, was also an easy out had not LaRocque falled to hold the ball thrown by Ward, thus marring as pretty a triple play as is ever seen. The score:

LANCASTER. Haller, and scored immediately afterwards on Smith's two-bagger; Gallagher singled and Smith crossed the rubber, Gallagher stealing second a moment later; Smink hit safely to right field, scoring Shorty, but was caught at second by a good throw from Kain when he tried to stretch it into a two-bagger. Flaherty was given his base on balls and came in with the fifth run, when Keister sent the ball sailing to the centre-field fence for two bags. Heidrick ended the agony by flying out to Hargrove, the latter making a good catch.

ball sailing to the centre-field fence for two bags. Heidrick ended the agony by flying out to Hargrove, the latter making a good catch.

Blchmond also did some hitting in this inning, scoring two runs. Hargrove landed on one of Flaherty's in-shoots and never stopped until he got to third. McDonald was given his base on balls.

KAIN DID THE BUSINESS.

Wells' little grounder was presented to Haller by Smith, and then came the hit that did business. Kain laying away the ball for two bags and cleaning the bases. Steelman singled, but was doubled when Leever hit the ball to Smith, who touched the runner and caught Leever at first.

In the ninth Paterson failed to score, while Richmond didn't do a thing. Elsey opened the ball by popping a fly to right, which Robinson misjudged, and the ball dropped safe. The Brownie hit for three bases, scoring Elsey; Stuart singled to left, and Heidrick let the ball pass him, the batter going to third, Elberfield scoring. Hargrove continued the stick work by singling to right, and the ball rolled by Robinson and was lost in the grass, permitting Hargrove to follow Stuart across the plate with the tying run. The excitement was at fever height; the locals put their heads together to try to stave off defeat, but it was of no use, as the Southerners had their eyes on the ball and would not be denied. McDonald, Wells, and Kain singled in succession, and "Reddy" came across the plate with a winning run without a man being retired. This great rally in the last inning showed the Paterson cranks that in Richmond they will have formidable rivals, and the outcome of the next three games will be watched with anxiety.

Sunday Afternoon.

NEWARK, N. J., May 2.—Special.—

Norfolk was nothing but the softest kind of mark in the game with the locals here this afternoon as the score of 17 to 7 would indicate. After taking Paterson into camp yesterday, the "Oyster Shuckers" swooped down on Newark, in a manner characteristic of would-be champions.

manner characteristic of would-be champions.

Before the game was over, however, Captain Gilman's tribe had shown them a thing or two about the national game.

For three innings Norfolk was 'n ite hunt. McFarland began by walking to first, Leehey followed with an easy one to Johnstone, but the latter in his attempt to head McFarland at second, threw wildly. The result was, "Mac" reached third, while Leehey kept on to the halfway mark. McFarland scored a moment later, when Schaffer went out from second to first. Weddage and Weihl then came to time with two-baggers and both scored on Wentz's long fly to the outfield, and Smith's single. The latter was nailed at second by Hodge in a fruitiess attempt to steal. With the exception of Johnstone's bad throw the locals put up an errorless game, which was in direct contrast to the exhibition given by Norfolk, six errors being charged against the visitors.

MAGEE DID GOOD WORK.

As a Result the Bostons Took a Game From the Colonels.

LOUISVILLE, KY., May 24.—Nichols was too much for the Coloneis to-day and the Bean Eaters won a nicely played game, Magec pitched his first whole game for the home team, and, barring a little wildness, did great work.

Who Will Attend the Who'esale Grocers Association.
The following members of the Whole-

sale Grocers' Association of this city. left last night at 10:30 o'clock over the left last night at 10:30 o'clock over the Chesapeake and Ohio Railway Company for Nashville to attend the Wholesale Groeers' Association in that city: Mr. Henry Myers, of Slater Myers & Co., John Blair, Wirt E. Taylor, Frank Beveridge, J. S. Moore, W. B. West, C. F. Sauer, Mr. Crump, L. C. Younger, John Harrison, William Antrim, E. A. Saunders, E. E. Booker, Mr. Brown, Henry Watkins, E. G. Leigh, Jr.

There were also the following wholesale grocers from other cities in Virginia in the party: P. W. Rowe, of Hampton, Mr. Roper, of Petersburg, Mr. Kelley and J. Goodridge, of Morfell, J. R. Wallace,

In striking contrast to the above case is that of Mrs. E. Hardin, 3.959 Germantown Avenue. Philadeiphia. Pa., wife of the Clerk of the Board of Education, who says: "For thirty years I suffered with sick headache, which appeared in attacks of severe pain, so intense that I was obliged to remain in bed for days at a time. These attacks appeared almost every week, and at no time did I ever receive relief, although I consulted the most skilled physicians in the city. The headaches seemed to wear themselves out and then commence anew. At last I was induced to try Munyon's Headache Cure. The relief was masical and almost instantaneous. I followed un their reatment and was completely cured—for three resurs have passed and I have recommended Munyon's Remedies to a number of my friends, and I have received their most sincere thanks for many worderful cures that have been accomplished by these little pellets."

Professor Munyon has a separate specific for each disease, the only logical system of medicine.

L. F. Lockadou, H. H. Harris, Jr., A. B. White, of Lynchburg.

The convention will meet at Nashville, Tenn., and will be in session for two or three days. There will be delegates from eleven Southern States in attendance and question of general interest to the wholesale grocers of the various States will be discussed.

The sensational report published in a New York paper recently, that the convention would boycott the American Tobacco Company, is without foundation.
